Friends of Main Street Recognition Breakfast

The Downtown Douglasville Friends of Main Street Recognition Breakfast will be held on March 3, 2010. This event is an opportunity to learn more about what is happening in Historic Downtown Douglasville and to recognize those sponsors and volunteers that were instrumental in downtown revitalization efforts in 2009.

The City of Douglasville is a designated Main Street Town and the Friends of Main Street membership organization was created to help support the efforts of the Main Street program, which is devoted to the revitalization of downtown Douglasville. The members are committed to assisting residents, local business, and property owners in enhancing their property values, boosting their businesses, sponsoring downtown events, and promoting a safe and attractive community where people live, work, and play.

Friends of Main Street business sponsors are the lifeblood of our events and programming. There are several ways local business and individuals can become a Friends of Main Street member or sponsor and an active participant in Downtown Douglasville events. Individual memberships are available for purchase, your business can become a coupon sponsor for free or choose one of the downtown event sponsorship levels.

If you would like more information about Friends of Main Street or to R.S.V.P. for our breakfast please contact me at 678-715-6092 or mainstreet@ci.douglasville.ga.us.

The Downtown Development Authority (DDA) is a non-profit board that aids in the revitalization efforts of the City of Douglasville's Historic Downtown. More information about the DDA can be found at www.ci.douglasville.ga.us.
